Monday 23rd November – Year 6 Visit to Cinema @ Metrocentre (morning only)

Odd Socks Day - Monday 16th November 2026

We're excited to be taking part in Odd Socks Day to launch Anti-Bullying Week 2026!
Children are invited to come to school wearing their odd socks on Monday 16th November. There is no need to buy anything new, just have fun choosing the most colourful, mismatched socks you can find!
Odd Socks Day celebrates individuality and reminds us that we are all unique. It is a fantastic way to start a week focused on kindness, respect and inclusion.
We can't wait to see everyone's odd socks!

Come as You Are Day – Friday 27th November 2026

We are holding a 'Come as You Are' day in school on Friday 27th November 2026. This is where children can come dressed to school in non-uniform for a chocolate donation towards the Christmas Fair. Donations can be as small as a single chocolate bar. Thank you for your support in making our Christmas Fair a sweet success!

Staff INSET Day

Please note that our second staff INSET Day will take place on Monday 4th January 2027, and school will be closed to all pupils on this date.
As this falls at the end of the Christmas holiday period, children will return to school after the Christmas break on Tuesday 5th January 2027. We thank you for your continued support.

Year 1 SPOTLIGHT

Year 1 had a visit from The Newcastle Eagles coach during PE this week! We had a fantastic time and learned how to practise our skills such as dribbling the ball and! The children showed great listening skills, determination and enthusiasm throughout and they can't wait for next week! Fantastic effort, Year 1!

art SPOTLIGHT

Our pupils have had a fantastic start to Art this year! They have explored observational drawing, abstract art and realism, learning how artists express ideas in different ways.

Children have also experimented with a range of media and techniques, developing their creativity and confidence along the way. We are incredibly proud of their enthusiasm and the wonderful artwork they have produced so far!
