### **Warmer Weather**

We are finally forecast some sunshine next week. Please can we ask that children have a high factor sun cream applied before coming to school and bring a sun hat for break and lunch time. As per our uniform policy, children can also wear a school summer dress or smart school shorts.

### **Feeding Families Box**

We work with Feeding Families, a local charity who provide emergency food parcels to families in the North East. We have a stock of food boxes at school which we can distribute to families who need them and there are no forms to complete.
